## Reward Offered For Return Of WNTC Amplifier

On Friday the 13th of March between 3:00 and 3:30° pm an Rf line amplifier was stolen from the general office of WTSC/WNTC. The amplifier is a Magnavox model 202. It is contained in an aluminum rectangular casing measuring approximately 8" x 5" x 2". It has a power line cord and two "f" connectors on it. It is of no value whatsoever to a household and is needed for Rf transmission of WNTC. Anyone knowing the whereabouts is asked to contact the station manager, chief engineer, or assistant chief engineer of the radio stations at one of the following numbers: 265-7650, 265-4968, 265-5724, 268-7452. A \$50 reward is offered for its return-no questions asked.
